

Festivals of Light

We will think about Diwali and bonfire night with lots of opportunities to express ourselves through colourful art, music, dance and drama. We will be expanding our vocabulary with lots of exciting new words to describe our experiences.

Thanksgiving

At Thanksgiving we will be exploring why we are thankful and joining in the fun of the parade.

Celebrations and Special Times

Autumn 2 Reception

Please continue to read daily. All the children are making super progress. Thank you for your support.

Please remember sensible clothing and footwear for time spent in our outside classroom and new forest school area.

Birthdays

We will help Big Ted prepare for his birthday party. We will use all our maths skills to estimate and count how many buns to buy and how much it will all cost. Shall we halve or quarter the sandwiches? How many cups will that jug of water fill? Let's find out!

Winter Wonders

We will observe the days getting colder, exploring ice, wind, rain and maybe even snow!

For many children Christmas is a special time and those who wish will have the opportunity to take part in our Nativity. We will sing, act, dance and perform on stage.

There will be lots of seasonal art and crafts, including baking. Then finally a party to celebrate the end of our first term in school.
