

Pleased to meet you!

Our first few weeks will be very busy making new friends, getting to know our teachers and exploring our new classrooms.

We will have fun in our inside and outside areas.

We will enjoy school dinners or packed lunches in the hall.

We will keep fit and active during PE and we will have a quiet time to reflect.

There will be lots of children to meet at playtime and plenty of space to run around, play games and relax.

No wonder we are so tired at the end of the day!

Welcome to School Autumn Term Reception

Information for Parents

PE days are Monday and Thursday. Please do not wear earrings on these days.

Please only use book bags for books and keep water bottles and snacks in the fruit bag.

Please remember that learning in our outside area is very important and children will need coats and shoes suitable for all weathers.

We are very lucky to have Mrs Marshall to help us with music.

Fun with Rhymes

We will be enjoying our favourite Nursery Rhymes and using them to extend our learning.

Counting forwards and backwards, adding and subtracting and calculating with Current Buns, Little Ducks and those men in the Flying Saucer.

Exploring our world with Incey Wincey, Humpty Dumpty and Miss Polly.

Caring for others with Little Bo Peep and the Old Lady who lived in a shoe.

Baking and sharing with Pat a Cake and keeping fit with favourites like the Princess in the Tower and the Dusty Bluebells.
