

LITERACY

In literacy we will be designing and describing our own superheroes, and coming up with alliterative names for them. We will be focusing on the story 'Supertato', making predictions and creating our own stories in the style of Supertato.

SCIENCE

We will be looking at different types of weather and how it changes through the seasons. We will be setting up our own weather station so we can monitor the weather throughout the year. We will also be looking at the human body and how it works, and exploring our senses.

Who is your favourite superhero?

YEAR 1/2, AUTUMN 1

OPPORTUNITIES FOR PARENTS

Please make sure you are reading daily with your child and practicing weekly spellings.

P.E

Teacher Led PE – Ball skills
Dave Scoreby – Football

PSHCE

Our Happy School.

COMPUTING

We will be giving and following instructions in computer science using beet bots. We will also be thinking about e-safety and following e-safety rules.

ART, D.T & MUSIC

In art we will be looking at the work of Roy Lichtenstein and recreating some of his pieces. To tie in with learning about our senses we will be thinking about eating healthily and making our own fruit kebabs in DT. Our music sessions will focus on body percussion and learning new songs.

NUMERACY

We will be learning to count reliably in 1s, 2s, 5, 10s and 3s, comparing and ordering numbers (using the words more than, less than, fewest and most). We will be partitioning 2 digit numbers into tens and units and learning how to represent these in different ways. We will then be practicing our adding and subtracting.

HISTORY & GEOGRAPHY

We will be learning about the UK, naming and locating the four countries and capital cities within the UK. We will also be learning about the traditions and customs of each of the four countries, and some of the differences between them.
