13 March 2017

Dear Parent/Carers

Astronomy Day – Friday, 31 March 2017

We will be holding an astronomy afternoon on Friday, 31 March at the Osaldwick Lane site, supported by the School Association. **Y4/5 will be have presentations in the Cosmodome during school time on the 31st as part of their curriculum studies and to be fair to other year groups should not request tickets for the after school sessions.**

The event will consist of presentations by the Physics Department from the University of York in the Cosmodome (an inflatable planetarium). Parents and Children are welcome to request free tickets to participate together after school.

Family Cosmodome presentations will take place at 3.45pm, 4.45pm and 5.15pm. The Cosmodome session at 4.15pm is being reserved for children in the After School Club.

Please indicate on the form below which tickets you would like to request (there is a limited number per session) and return the form to the school reception. Due to the limited number of spaces we will have to draw names out of a hat and we will allocate tickets accordingly. Please return your form by this **Friday, 17 March deadline** to be included in the draw. **On the day please do not forget to bring your tickets to the relevant session.**

Refreshments will be available throughout the afternoon. There will be an information point on astronomy manned after school by Mr J Brown, our school Science Lead.

This is an event subsidised by the Osaldwick Parent Association, however, donations on the afternoon would be gratefully received which will be used for additional science resources.

Many thanks

Head Teacher in partnership with Osaldwick School Association
