Dear Parent/Carer

Re: Data Protection - Dairy Milk for New Pupils

We register our new pupils to Cool Milk so that they will receive one free carton of milk during the school day. To enable us to do this, Cool Milk require basis recognition information for pupils under 5 and pupils who wish to receive the milk and are entitled to free school meals. This is very basic information will only be their name, date of birth and current class.

In line with Data Protection guidance, we are informing you about this sharing of information. If you **do not** wish your child's information to be passed onto Cool Milk, please complete the slip below and return it to school as soon as possible. **We will assume that you have no objection to this data sharing if we do not receive the slip below with your admission form.**

If any parent has not already returned their Daily Milk request form and would like to do so, please pick up a form from the school office. There is a cost of approximately £1.20 per week for pupils over 5 who do not receive free school meals. For further information please visit their website on www.coolmilk.com

Yours sincerely
