

# York Junior Youth Choir

Musical Director: Alison Forster

Dear Parent/ Guardian,

I am sure you know, your school has been involved in a singing project run by York Minster and The Minster School, culminating in a concert in York Minster which brought together a massed choir from the four schools involved in this term's project.

Unfortunately, this project only runs for one term. However, I write to inform you that there is a children's choir in York which your child would be welcome to join if he/ she has enjoyed taking part in this singing project.

Called the York Junior Youth Choir, this ensemble is now in its eleventh year and is open for all children, of all levels of musical ability, who are in Years 3 to 10. It takes place on a Saturday morning, between 10.30 and 11.30am, in the hall of The Minster School, Deangate. (Please do not think, however, that because it takes place in The Minster School the repertoire or standard is chorister based!) The choir, plus the schools' singing project, is partly paid for by the York Minster and the Minster School so there is no cost to join. There is also no audition process to the join the choir. The choir has performed at many concerts, including in York Minster and the Barbican.

If you are interested in your child becoming a member of this choir, please phone me, (the choir's musical director, Alison Forster), at The Minster School (0844 939 0000), or e-mail me ([school@yorkminster.org](mailto:school@yorkminster.org)) or just come along to a rehearsal during Saturdays in term-time at 10.30am in the Minster School. (Please note that there is free, secure parking on site during most rehearsals.)

Yours sincerely

Alison Forster.
