Parking at the Lane

Unfortunately, it has been brought to our attention that certain parents are parking inconsiderately outside Meadow Beck Care Home. Last week there was an emergency at the home and emergency services were unable to gain access due to inconsiderate parking. As from Monday, 5 February Traffic Wardens will be patrolling this area. Please can we ask parents to **park more considerately** when parking near the care home before and after school. Many thanks.

Y4 Football Festival

Y4 had a football festival today at Archbishop's School. They all played really well and showed fantastic teamwork. Well done everyone.

Senior Citizens Community Lunch

We would like to ask the Senior Citizens in our community to come and eat a delicious school lunch with our very youngest Children at the Leyes Site, which is located on The Leyes in Osballdwick. This will hopefully run once a month starting on Wednesday from 21st February at 11.45am, until further notice. You do need to be able to make your own way to school, as sadly we do not have transport available. Wednesday at school is Roast Dinner day, so this will vary week to week. The cost of a two course meal will be £3.00. We would love to see you in school and the children are looking forward to having lunch with you. Please contact the school on 554164 for further information and to book a place. We hope to see you soon.

Wheelie Bins

6EM wrote a letter to the council to inform them that the wheelie bins on Osbaldwick Lane were causing an obstruction to our walking bus on Tuesday mornings as they were left all over and in many cases blocking the path. Since then, we have had a reply from the Waste Management Officer at the council and the wheelie bins have been put back by the wheelie bin men onto a safe place in order to avoid the path so our youngest children are not put in any danger.

Well done to 6EM for keeping our school safe!

Year 6 Chefs

Year 6 had their second session with chefs from the University of York, where they watched a live demonstration of how to cook chicken korma and then they sampled it. Next week the children will be making pancakes and ratatouille for their parents who are all invited to the Lane Hall at 3:15 on Wednesday 7th (Y6 parent only please). More info to follow.
